

One on One with Dr. John Ambroseo

CEO/President Coherent Inc.,USA

With Dr. Bo Gu

The Chinese Laser Market Summit 2018 will be held in Jumeirah Himalayas Hotel, 13:00-17:30, March. 15, 2018. This Summit has been concerned by leaders of the global laser industry. It covers the following topics:

- Overview and forecast of the laser markets in China and in the world (2017- 2018)
- The world leading laser companies strategy in Chinese market
- International business opportunities for Chinese laser companies
- Chinese fiber laser and diode laser development and future trend
- Ultrafast laser technology, applications and markets in China
- Hot laser applications and trends

This year we have invited Dr. John Ambroseo , CEO and president of Coherent to join the Summit again. He will have a One on One talk with Dr. Bo Gu, the host of the summit, analysis the future and trend of the development of laser technologies, discuss the strategy and prospect of laser companies and industry, as well as Chinese laser market.

John Ambroseo has served as Coherent's President and Chief Executive Officer as well as member of the Board of Directors since October 2002. He joined Coherent in 1988 and has worked in sales, marketing, and U.S. and international operations. John received a Bachelor degree form SUNY-College at Purchase and a PHD in Chemistry from the University of Pennsylvania.

Dr. Bo Gu, founder and host of The Chinese Laser Market Summit as well as founder and president of BOS Photonics, is a well-known figure in laser industry. Dr. Gu is a Fellow of both SPIE and OSA. He is currently the vice-president of Chinese Optical Society Laser Processing Committee. He was the managing director of IPG Asia and general manager of IPG China responsible for the wide acceptance of fiber lasers in industrial applications.

Target participants:

- Management
- Senior Sales and Marketing Supervisor
- Scientific experts
- Leader of relevant government department
- Leader of Sci-Tech Park
- Capital Market financial investors
- Capital Market Analyst
- Industrial Consultants

Relevant industry :

- Laser Technology Users
- Laser and Photonics companies
- Laser system integrators
- Universities and institutes
- Sci-Tech Park Zones
- Software suppliers/Training/Consulting

Registration:

- Send the card and payment voucher to coslpc@chinalaser.org, marking registration for Chinese Laser Market Summit 2018.

Registration fee: On-site, RMB 2000 per people

	Before Jan.30th, 2018	Before Feb 28th, 2018	Before March 10th, 2018
One people registration	RMB 1400 per people	RMB 1600 per people	RMB 1800 per people
Three people registration together	RMB 2800 per 3 people	RMB 3200 per 3 people	RMB 3600 per 3 people

(The payment amount is subject to the payment receipt date that the bank provides.)

Account information:

Industrial and Commercial Bank of China (ICBC) Shanghai Branch, No. 2 Business Department

Account name: Messe Muenchen Shanghai Co., Ltd.

Account Number: 1001190709016219311

Swift Code: ICBKCNBJSHI

(Please indicate with the words as "Forum registration fee and attendee's name". Please contact us via +86-21-2020 5500 afterwards.)

Concurrent Activities:

- 13th International Laser Processing and Systems Conference (LPC 2018)
March 14-15, 2018
- Laser Word of PHOTONICS CHINA
March 14-16, 2018
- Workshop on Safety of Industrial Lasers and Systems Use
March 15, 2018

For Registration, Please contact:

Chinese Optical Society-Laser Processing Committee (COS-LPC)
